EXHIBIT 4

RE: Objection to Cendejas v. Sony Interactive Entertainment LLC, Civil Action No. 21-cv-03361-AMO (N.D. Cal.)

To Whom It May Concern,

I am a member of the settlement class of this case, that's writing to **object** to all or any part of the Settlement, Interim Lead Counsel's request for attorneys' fees, reimbursement of costs, expenses, or service awards & to **exclude** myself from the Settlement Class.

I strongly oppose this matter for the following reasons:

FILED
JUN 30 2026
CLERK U.S. DISTRICT COURT
NORTH DISTRICT OF CALIFORNIA

1. **NO INVOLVEMENT.** I have no interest in acquiring financial gain, benefit, or reimbursement for purchases I've made personally during the time period. I have not been an active PlayStation console user or purchased products from the PlayStation store for nearly 5 years.

2. **INTENTIONAL PURCHASES.** All digital products that I've come across in the store were intentional purchases by my own actions.

Given the circumstances, I request that you **remove** me from the settlement class of this case, and I **object** to all or any part of the Settlement, Interim Lead Counsel's request for attorneys' fees, reimbursement of costs, expenses, or service awards. I have attached documents of digital products I've purchased from the store or game codes redeemed to play a product, for your review. Please confirm receipt of this letter and keep me informed of any decisions or upcoming hearings regarding this matter.

Sincerely,

Mulushi Cen
